Without a song the day will never end  
Without a song the road will never bend  
When things go wrong, a man ain't got a friend  
Without a song

That field of corn will never be a plow  
That field of corn will be deserted now  
A darkie's born, but he's no good no how  
Without a song

I got my troubles and woe  
But sure as I know, the Jordan will roll  
I'll get along as long as my song  
Is strung in my soul

I'll never know what makes the rain to fall  
I'll never know what makes that grass to tall  
I only know there ain't no love at all  
Without a song

I got my troubles and woe  
And sure as I know, the Jordan will roll  
I'll get along as long as my song  
Is strung in my soul

I only know what makes the rain to fall  
I'll never know what makes that grass so tall  
I only know there ain't no love at all  
Without a song
