Yesterday' s dreams
Like birds in the winter
Have gathered together
And flown to the sun
Yesterday' s promises
Like shells in the ocean
All shattered and broken
Like yesterday' s dreams

You are my harbour
My dream of tomorrow
My promise of sunshine
My shield from the storm
My sweet companion
We' ll journey together
And not be defeated

By yesterday' s dreams

La la la la la
La la la la la
La la la la la
La la la la la

Repeat first verse
