I'm comin' up so you better get this party started
(repeat)

Get this party started on a Saturday night
Everybody's waiting for me to arrive
Sending out the message to all of my friends
We'll be looking flashy in my Mercedes Benz
I got lots of style check my gold diamond rings
I can go for miles if you know what I mean

I'm coming up so you better get this party started
I'm coming up I'm comin'
I'm coming up so you better get this party started

Pumping up the volume breaking down to the beat
Cruisin' through the west side we'll be checking the
scene
Boulevarders freakin' as I'm coming up fast
I'll be burning rubber you'll be kissing my ass
Pull up to the bumper, get out of the car
License plates a stunner number one super star

I'm coming up so you better get this party started
I'm coming up you better
I'm coming up so you better get this party started
Get this party started

Making my connection as I enter the room
Everybody's chillin' as I set up the groove
Pumping up the volume with this brand new beat
Everybody's dancing and they're dancing for me
I'm your operator you can call anytime
I'll be your connection to the party line

I'm coming up so you better get this party started
I'm coming up I'm comin'
I'm coming up so you better get this party started
I'm coming up I'm comin'
I'm coming up so you better get this party started
I'm coming up I'm comin'
I'm coming up so you better get this party started

Get this party started, oh
Get this party started right now
Get this party started
Get this party started
Get this party star
