Now that you're out of my life
I'm so much better
You thought I'd be weak without you
But I'm stronger
You thought I'd be broke without you
But I'm richer
Thought I would be sad without you
I laugh harder
Thought I wouldn't grow without you
Now I'm wiser
Thought I'd be helpless without you
But I'm smarter
Thought I'd be stressed without you
But I'm chillin'
Thought I wouldn't sell without you
Sold a million

*I'm a survivor
I'm not gonna give up
I'm not gonna stop
I'm gonna work harder
I'm a survivor
I'm gonna make it
I will survive
Keep on surviving

Thought I couldn't breathe without you
I'm inhaling
Thought I couldn't see without you
Perfect vision
Thought I couldn't last without you
But I'm lasting
Thought that I would die without you
But I'm living
Thought that I would fail without you
But I'm on top
Thought it would be over by now
But it won't stop
Thought that I would self-destruct
But I'm still here
And even in my years to come

I'm still gonna be here

*Repeat

Wishing you the best
Pray that you are blessed
With much success
And lots of happiness

I'm better than that
I'm not gonna blast you on the radio
I'm not gonna lie on you and your family, yo
I'm not gonna hate on you in the magazines
I'm not gonna compromise my Christianity
You know I'm not gonna diss you on the Internet
'cause my mama taught me better than that

*Repeat

After all the darkness and sadness
Soon comes happiness
If I surround myself with positive things
I'll gain prosperity

*Repeat
