Baby baby baby
From the day I saw you
I really really wanna catch your eye
There's somethin' special 'bout you
I must really like you
Cause not a lot of guys are worth my time, ooh
Ooh baby baby baby it's gettin' kinda crazy
Cause you takin' over my mind

* And it feels like ooh
You don't know my name
I swear
It feels like ooh
You don't know my name
Round and round and round we go

Will you ever know

Ooh baby baby baby
I see us on our first date
You're doin' everything that makes me smile
And when we had our fist kiss
It happened on a Thursday
And, ooh, it set my soul on fire
Ooh baby baby baby
I can't wait for the first time

My imagination's runnin' wild

* Repeat

[Talking]
I'm saying
He don't even know what he's doin' to me
I be feelin' all crazy inside
I'm feelin' like ooh

Doin' nothin' I ever done for anyone's attention
Take notice of what's in front of you
Cause did I mention you 'bout to miss a good thing
All you'll never know how good it feels to have
All of my attention

And you'll never get a chance to experience
My lovin', cause my lovin' feels like

* Repeat

Will you ever know it
No no no no no no no
Will you ever know it

[Talking]

Imma jus' have to go 'head and call this boy
Hello

Can I speak to... to Michael

Oh hey, how you doin'?

Uh, I feel kind silly doin' this but um

This is the waitress from the coffee house on 39th and
Lenox

[Giggles]

You know the one with the braids, yeah

Well, I see you on Wednesdays all the time

You come in every Wednesday on your lunch break I
think

And you always order the special, with the hot
chocolate

My manager be trippin' and stuff talkin' bout

We gotta use water

But I always use some milk and cream for you cause

[Giggles]... I think you kinda sweet

[Giggles]

Anyway, you always got on some fly blue suit

Your cuff links are shinin' all bright

So what you do?

Oh word, yeah that's interestin'

Look, man, I mean... I don't wanna waste your time

But I know girls don't usually do this

But I was wonderin' if maybe we could get together
outside

The restaurant one day?

You know, cause I do look a lot different outside

My work clothes

I mean, we could just go across the street

To the park right here

Wait, hold up, my cellphone breakin' hold up

Can you hear me now? Yeah

So what day did you say?

Oh yeah, Thursday's perfect

* Repeat (x4)
