This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
(I made it specially for you)
(I made it specially for you)
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
(I made it specially for you)
You doubted my love,
But there's no one around,
To steal this heart from you,
Never again from you.
Got something to remind you
That I'll be forever true,
And always will be with you,
As long as you love me
Through and through.
Oh oooh
It's a gift
It's a vow.
It's a promise,
Starting from now.
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
Oh ooohhh
I dedicate this song for you,
I hope you like it too,
Baby believe in me,

We'll have this endlessly.
(baby believe in me)
Babe you're the one for me,
And no one else can be,
You're perfect as I see,
A dream
Just for me.
(just for me)
(perfect as I see)
It's a gift,
It's a vow,
It's a promise,
Starting from now.
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
Specially for you
Specially for you
Ahh haahh
Specially for you
(specially for you)
Look into my eyes,
And I'm telling you,
This aint no lie,
Look into my eyes,
And I'll never ever
Say goodbye
Look into my eyes,
And I'm telling you,
This aint no lie,
Look into my eyes,
And I'll never ever
Say goodbye
(goodbye)
(goodbye)
(goodbye)
(look into my eyes)
Oohh hoooh
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
This is my love song
And in case you forget that I cared,

You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
This is my love song
And in case you forget that I cared,
You can listen to this,
Special
Special love song,
Just to tell you that I love you,
I made it specially for you
This is my love song
(look into my eyes)
Special
Special love song,
(look into my eyes)
