Forgive me, oh mum and dad  
For the telecom sent the bill with wrath  
But I believed that the call was short  
Let him who hasn't a girlfriend  
Go and call the number of the bitch  
Even if it is an expensive number  
This number is 166 166 166

I was alone, I took the phone,  
I needed time to think the number I saw on TV  
Who did I hear! Can I believe  
A pack of horny lesbians howling back at me  
I've always thought, I've always dreamed  
Of magic whores to come and perform sodomy  
'Cos in my dreams, it's always there  
One dirty slut who takes my dick orgasming to despair

Night was black and I wanted to fuck  
I've passed all night to see Rocco's films on tv  
In Netherlands the whores are close at hand  
But in Italy, they're pretty hard to see

166 the number of the bitch  
Hot chat line is going on tonight

You can go on 'till the end of the road  
You just have to be aware, shemales who hide out  
there  
In the night cars' lights are flashing bright  
Bitch-hunting has begun sexual work is done!

166 the numer of the bitch  
30 euro the price for you and me

Pigs and gays, and everyone who says  
"I am too arrapate, to stop to masturbate"  
Take the phone, order some whores at home  
They come to make it rise and melt it down like ice

166 the number of the bitch  
144 the number of the whore

To a sexy shop, I will return  
And I will get more videos and hotter stuff of porn  
I have the programs on pay TV  
I have the hands to make libido take its course
