C Now here I am, the youngest old G man in the world  
Am And I have come to bring you my F burden  
C Of every sleepless night without G you in my arms  
Am Of being bored and calm and sometimes F sober

D Don't mess me up by being F kind  
D Don't mess me up by being F wise

Now here I am, I am the angel of Earth  
And I have come to bring you my burden  
Now here I am, I am the game warden of love  
'til someone took away my gin and tonic

Don't mess me up I'm on a roll  
Keep being wise, I'll be inspired
