Dm Baby don't you drive around with A7 Dr. Bernice.  
She's not a lady doctor at Dm all.  
She's got hands like a man.  
With A7 hair on the back.  
She'll crush you with her em-Dm-brace.

Though the F wind may C whisper and F moan some-A-  
times  
We Dm all need a Gm kind place A7 to Dm live.  
Though the F wind may C whisper and F howl at your A  
door  
We Dm all need the Gm comfort A7 of Dm friends.

Baby don't you drive around with Dr. Bernice.  
That ain't a real cadillac.  
It's a delta 88 spray painted black  
with fake leather seats from Warren's

Though the wind may whisper and moan sometimes  
On a hot desert night it is still.  
Though the world may whisper and howl at your door  
You're not obliged to let them all in.

Okay Johnny.

Baby don't you drive ride in that faux cadillac  
If you must please ride in the back.  
If you sing while you ride you'll be a siren tonight.

Spare this poor sailor's life from the rocks.

Though the wind may whisper a melody now.  
We can't find a tune of our own.

Though the world may whisper and blow in your face  
and tangle the hair on your head.

On a hot desert night we can drive down the road  
And the stars will spell out your name.  
On a hot desert night with the windows down wide.  
The sirens will sing me their song.

And the ghosts of the sailors who died on the rocks  
Feel not a twitch of regret.  
Though the wind may tangle the hair on your head.  
You sing like a siren to me.

On a hot desert night, the caravan stops  
At the oasis next to your heart.  
The soundtrack is played by some aged British queen  
On BBC Radio One.

Though the wind my whisper and epic sometime  
the cast must include Karen Black.  
Though the symphony strings shifts with the sand.  
You sing like a siren to me.

You Gm sing like a A7 siren to Dm me  
You Gm sing like a A7 siren to Dm me Dm7-Dm6-
