Movie stars  
And magazines  
Life is good  
Grass is green  
Come ride with me  
Down 62  
'Cause all I want  
Is to be with you  
Past rusted out  
Faded towns  
Little places  
Broken down  
Life is good  
When IÃƒfÃƒÃ…Ãƒ Ãƒ,Ãƒ with you  
I donÃƒfÃƒÃ…Ãƒ Ãƒ,Ãƒ need  
Anything.

I just wanna live like this now and forever  
I just wanna live like this now and forever  
I just wanna live like this now and forever  
Now and forever, forever

Crystalline  
Those perfect dreams  
Its all wide open  
At seventeen  
Start again  
Me and you  
A simple life  
On Route 62  
Rusted out  
Broken down  
Little places  
Falling down  
Life is good  
Or so it seems  
I donÃƒfÃƒÃ…Ãƒ Ãƒ,Ãƒ need  
Anything.

I just wanna live like this now and forever  
I just wanna live like this now and forever  
I just wanna live like this now and forever

Now and forever, forever

I just wanna live like this now and forever

I just wanna live like this now and forever

I just wanna live like this now and forever

Now and forever, forever
