Visit "[Guarded By Monkeys](#)" on MotoLyrics.com

You are so beautiful
You should be hid deep in the jungle
On some forgotten island

I heard about you
I got your PGP key
I write you letters every day

CHORUS:
You are so beautiful
You should be guarded by monkeys
You are so beautiful

REPEAT CHORUS

I have you [rented?]
51 daylight
It does not seem to impress you
You are so beautiful
Supplied and classified
I can't stop thinking about you

REPEAT CHORUS x2

- break -

REPEAT CHORUS

You are so beautiful
You should be hid deep in the jungle
You are so beautiful

REPEAT CHORUS x2

You are so beautiful
You are so beautiful
