A Hold of myself, D just trying to get a A(sus4) hold of myself

Scarin' my friends.  
Just tryin' to get a hold of myself.  
Sabotage all I set out to do.  
I can't imagine how that looks to you.  
Stuck away, just tryin' to get a hold of myself.

Got me a dog, I think it's time I got me a dog  
To be my little pal, I think it's time I got me a dog  
Last one I had got hit by a car  
Kept right on going and I took it real hard  
Now it's time to move on, I think it's time I got me a dog

D Aaah A aaah  
D aaah A aaah  
D aaah A aaah  
G ah ah D ah

Fork in the road, I think we're coming to a fork in the road  
Take it from me, I know we're comin' to a fork in the road

I miss the days when you could laugh at yourself.  
You rip my heart out when you don't want my help.  
Take it from me.  
We're coming to a fork in the road.  
Hold of myself.

A Hold of myself, G just D trying to get a A hold of myself.
