F#m-E-D-A-F#m-D-A-E7

F#mGold E summer D wheat  
A It sways in the F#m breeze  
D Till it fades in the A Autumn  
To E7 brown

Cool summer grass  
It beckons and calls  
And I lie here with you  
In my heart

CHORUS:

Bm I can't C#m for-D-get you  
A I can't for-F#m-get you  
Bm I can't C#m for-D-get you  
At A all E7

A-birds take to the sky

They never alight  
They circle around  
Forever

Now I tried but I failed  
To hide and disguise  
This one simple  
Sentiment

CHORUS:

I can't forget you  
I can't forget you  
I can't forget you  
No no

CHORUS: I can't forget you  
I can't forget you  
I can't forget you  
At all, no no
