Actually let me hear that first chord - huh?

INTRO:

F-Bb-Bb9-C(sus4)

F-Bb-Bb9-C(sus4)

F I drove a Bb car from New York C(sus4) City

F All the Bb way to New Or-C(sus4)-leans

F I was Bb watching at the C(sus4) window

F But I Bb don't know what it C(sus4) means

The world is full of contradictions

I nearly quit to reconcile

But when I'm thirsty I drink water

And when I'm hungry I have lunch

F And I like the Bb pop songs on the C radio

Bb Though they Dm rarely make much C sense Bb

F And I like Bb cream and I like C sugar in my coffee

and my Bb tea

If you Dm know what I C mean Bb

Now all my friends are getting sober

You might say downright a-serious

You know they're making themselves better

A-making themselves better just for what?

And I like the pop songs on the radio

Especially when they've got three chords - this one's
got four

And I like cream and I like sugar in my coffee and my
tea

If you know what I mean

So won't you please lift off your burden

Of searching for significance

And if you're thirsty, drink some water

And if you love me, live with me

F-Bb-C

F-Bb-C

F A-when I'm Bb thirsty I drink C water
F A-when I'm Bb thirsty I drink C water
F A-when I'm Bb thirsty I drink C water
F A-when I'm Bb thirsty I drink C water

OK, how were the levels then?
