Oh, yeah I feel alright tonight
Oh, man the stars are bright tonight
Like we could reach right out
And help yourself to them

'Cause what we want and what we need
Will one day bring us to our knees
Well, I am over it
You know that I have accepted it

Let's go for a ride
Let's go for a ride
Let's go for a ride
Go for a ride

Let's go for a ride
Let's go for a ride
Let's go for a ride
Go for a ride

So drive real fast through the underpass
And if we die or if we crash
Well I'd be flattered to
Be buried right next to you

'Cause what's yours is yours
And what's mine is mine
In the summertime under the blackened sky
The world belongs to us, baby let's use it up

Let's go for a ride
Let's go for a ride
Let's go for a ride
Go for a ride

Let's go for a ride
Let's go for a ride
Let's go for a ride
Go for a ride

Let's go for a ride
Let's go for a ride

Let's go for a ride

Go for a ride
