If I had a gun for every ace I have drawn,  
I could arm a town the size of abilene  
Don't you push me baby,  
Cause I'm all alone and you know I'm only in it for the  
gold

All that I am asking for is ten gold dollars  
And I could pay you back with one good hand  
You can look around about the wide world over  
And you'll never find another honest man.

Last fair deal in the country,  
Sweet suzie, last fair deal in the town  
Put your gold money where your love is baby,  
Before I let my deal go down

Don't you push me baby, cause I'm all alone  
Well I know a little something you might never know  
Don't you touch our liquor, just a cup of cold coffee  
I'm gonna wake up in the morning and go

Everybody prayin' and drinkin' that wine  
I can tell the queen of diamonds by the way she shines  
Come to papa on the inside straight,  
Well I got no chance of losin' this time

Last fair deal in the country,  
Last fair deal in the town  
Put your gold money where your love is baby,  
Before I let my deal go down
