Well the movie star, well she crashed her car.
But everyone said she was beautiful even without her
head.
Everyone said she was dangerous.

Well the chief of police kept the crime off the streets.
But deep in his heart, we all knew he felt differently.
We all knew he was an anarchist.

Well I'd
I'd like to devour you
But you
You'd prob'ly
Devour me.

For your golden head, for your oat bran hair.
Deep in my heart
Girl you're a beautiful animal
I'll put a tag on your ear.

Well the movie star, well she crashed her car.

But everyone said she was beautiful even without her
head.
Everyone said she was dangerous.

Well the chief of police kept the crime off the streets.
But deep in his heart we all knew he felt differently.
We all knew he was an anarchist.

Well I
I'd like to devour you.
But you
You'd prob'ly devour me.

Well I
I'd like to devour you.

But you you'd prob'ly devour me.

Girl you're a beautiful animal.

Girl you're a beautiful animal.

Girl you're a beautiful animal.

Girl you're a beautiful animal.
