Well, meet me by the river that goes nowhere  
Let me lay my sorry trip on you  
Won't you meet me by the river, little darlin'?  
I might just let you see my bad tattoo

Well, I was gonna bring you flowers but I didn't  
It's the thought that counts and I think I'm a bit too  
broke  
But there's some change in my ash tray maybe just  
enough to pay  
For a half pint of somethin', probably make us choke

Well, you know I'd rather not go and meet your family  
They'd probably send me back where I belong  
Don't want to hear about your Mr. Right  
'Cause he's out of town tonight  
Baby, come and spend some time with Mr. Wrong

I drive a one-eyed Malibu without a muffler  
And a tape deck that works if you kick it hard enough  
Baby if you like to read, I've got some great  
pornography  
And a ten pound flashlight rolling in the trunk

Well, you know I'd rather not go and meet your family  
They'd probably send me back where I belong  
Don't want to hear about your Mr. Right  
'Cause he's out of town tonight  
Baby, come and spend some time with Mr. Wrong

Now, do you have a girlfriend  
And does she look as good as you?  
Would she like to meet my brother?  
He'll be out of jail in a month or two

Well, you know I'd rather not go and meet your family  
They'd probably send me back where I belong  
Don't want to hear about your Mr. Right  
'Cause he's out of town tonight  
Baby, come and spend some time with Mr. Wrong

Where I come from they call me Mr. Wrong
