(Ja Rule)

Where would I be without my baby  
The thought alone might break me  
And I don't wanna go crazy  
But every thug needs a lady

(Ja Rule)

Girl it feel like you and I been mourning together  
Inseparable, we chose pain over pleasure  
For that you'll forever be a, part of me  
Mind body and soul ain't no I in we (baby)  
When you cry who wipes your tears  
When you scared, who's telling you there's nothin to  
fear  
Girl I'll always be there  
When you need a shoulder to lean on  
Never hesitate knowing you can call on, your soul-mate  
And vice versa, that's why I be the first to  
See Jacob's and frost your wrist up  
Now you owe me, I know you're tired of being lonely  
So baby girl put it on me

[Chorus 2X: Ja Rule]

Where would I be without you (uh)  
I only think about you (yeah)  
I know you're tired of being lonely (lonely)  
So baby girl put it on me (put it on me)

(Vita)

Yo, and I appreciate the rocks and gifts that you cop  
me baby  
And that house on the hill when you drop like 80  
On a down payment thinking damn ain't life gravy  
And ever since for my honey I been twice the lady  
What would I do without the nights that you kept me  
warm  
When this cold world had a girl caught in a storm  
And I accept when you riff when you caught in the  
wrong  
And respect when you flip, 'cause our love is strong  
And when you hit the block, I watch for 10-4

And when my pops asleep you snuck in the backdoor  
Baby boy we been down since junior high  
So when life get hot in july it's the world against you  
and I  
We ballin', tied together and never  
Heart from the heart, knew that it would last forever  
When you told me, you would never leave me lonely  
So baby boy put it on me

[Chorus]

(Ja Rule)  
Since we met it's been you and I  
A tear for a tear, baby eye for an eye  
And you know that my heart gon cry  
If you leave me lonely  
Cuz you not just my love you my homie  
Who's gonna console me, my love  
I'm outta control hold me, my love  
Cause I'm yours  
And I don't wanna do nothin to hurt my baby girl  
If this was our world it'd be all yours, baby  
The thought alone might break me  
And I don't wanna go crazy  
Cause every thug needs a lady (yeah, yeah)  
I feel you baby cause them eyes ain't lying  
Wash away all the tears there be no more crying (baby)  
And you complete me, and I would die if you ain't wit  
me  
So baby girl put it on me

[Chorus] - 2X
