As far as I know, the world don't spin  
They carry you around in your bed  
And rearrange the stars all night  
To satisfy you  
Satisfy you  
Satisfy you  
Satisfy you

Could I redeem myself  
If I was someone else  
I'd walk on the water  
In your dad's swimming pool

Show you my bloody palms  
If I thought that would satisfy you  
Satisfy you  
Satisfy you  
Satisfy you  
Satisfy you

Now I'm not wise, and I'm not old  
So I'll be bitter, and I'll be cruel  
I just did it less each and every day  
Did I satisfy  
Did I satisfy ha-ah-ah-ay ha-ah-ah you  
Until satisfy ha-ah-ah-ay ha-ah-ah you

Until I satisfy  
(Satisfy you, satisfy you)  
Until I satisfy  
(Satisfy you, satisfy you)  
Until I satisfy  
(Satisfy you, satisfy you)  
Until satis, oh till I satisfy  
(Satisfy you, satisfy you)  
Until I satisfy
