If I could just keep  
My stupid mind together  
Then my thoughts across  
The land for you to see

The sun drags locomotives to the ocean  
No one knows this like I do  
Seconds clicking watch arm  
Changes to dust

Whithered roots of hair  
And nights of rust  
I'm waiting in the currents of the ocean  
I'm so sick of goodbyes, goodbyes

I'm so sick of goodbyes, goodbyes  
I'm so tired of goodbyes, goodbyes  
Goodbyes  
Goodbyes

When night comes crawling  
In on a horse  
Soaking up my dreams  
Through the pores

I'm so sick  
I'm so sick of goodbyes, goodbyes  
Goodbyes  
Goodbyes

I'm so sick of goodbyes, goodbyes  
I'm so tired of goodbyes, goodbyes  
Goodbyes  
Goodbyes

I'm so tired of goodbyes, goodbyes  
I'm so sick, so sick of goodbyes, goodbyes  
I'm so, I'm so

Goodbyes  
Goodbyes  
Goodbyes
