You know I don't feel well  
I gotta thirst in my mouth  
And all I want is a cool drink of water

You know I don't feel well  
I got salt in my wounds  
And all I want is a cool drink of water

Can you hear me, St. Cajetan?  
I once knew a well so sweet  
I put my lips, my lips to the pail to drink  
But I give it all up for some water

You know I don't feel well  
Got the salty taste of my tears  
And all I want is some release from this

You know I don't feel well  
Been tossed and turned on this ocean  
And all I want is this one wish

Can you hear me, St. Cajetan?  
All I want is a cool drink of water  
Can you hear me, St. Cajetan?  
All I want is a cool drink of water  
Can you hear me, St. Cajetan?  
All I want is a cool drink of water

Can you hear me?  
Can you hear me?  
Can you hear me, St. Cajetan?  
Can you hear me, St. Cajetan?  
All I want is a cool drink of water

Can you hear me?  
Can you hear me?  
All I want is a cool drink of water  
Can you hear me, St. Cajetan?  
All I want is a cool drink of water  
Can you hear me?  
Can you hear me?
