On the road, travelling with my band
I was so exhausted from one nightstands
I caught your smile and you threw me some heat
Well, I liked your style; it was wrong but sweet

I fell for you right then and there
I didn't care who knew, I'd follow you anywhere

Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song
(that love song)
Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song

When we met, I had been alone
I was more than ready to live on my own
Then your song touched me deep inside
Until you came along, I wasn't satisfied

I fell for you (fell for you)
Right then and there (right then and there)
I didn't care who knew (didn't care who knew)
I'd follow you anywhere

Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song
(that love song)
Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song

Gimme, gimme
Gimme, gimme

I fell for you right then and there
I didn't care who knew, I'd follow you anywhere

Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song
(that love song)
Gimme, gimme, gimme, all night long
Gimme, gimme, gimme, keep playing that love song

Repeat until fade out
