86 the crap. I've had it up to here.  
I'm sick and tired of you pretentious queers.  
86 the crap. If that's what it's all about.  
Cuz if you call THAT "punk rock", then you can count  
me out...  
[Chorus:]  
Because I don't wanna be in your secret society.  
Because I don't wanna be just another one of those  
MINDLESS SHEEP.  
So you can 86 the crap. It's a pathetic waste.  
I won't subscribe to... your stupid "static cling taste".  
86 the crap. When it's all the same.  
I can't believe punk rock could have gone so lame.  
[Repeat Chorus]  
86 the crap. And your "junior high".  
Why can't you see that you're living a lie?  
86 the crap. Hey, "Punks not cool."  
Why don't you start a trend!  
And tell your whole damn Junior High School! Just  
sing...  
[Repeat Chorus]  
You went and bought the T-Shirt, but you don't like the  
band.  
Tell me, what's it gonna take to make you understand?  
It's MORE than the shoes. It's MORE than the hair.  
It's MORE than the "crazy punk" clothes I/you wear.  
So you can 86 the crap. And the THUGS in the pit.  
Cuz we're not afraid of... your stupid "tough guy" bit.  
86 the crap. If that's what it's all about.  
Cuz if you call that "punk rock", then you can COUNT  
ME OUT!
