Kicking back in my room drinking banana juice, we
were all gonna party.
We were going to get loose. School was out and it was
Friday night.
Everything was going oh so alright. Everything was
wonderful. Everything was great.
But then Mike and Niki, they started to fight and the
room ablazed with hate.
That's when he called her... Double Jointed Circus
Monkey.
With her legs around her neck ya know it's really funky.
Well, I was hoping they'd break up cuz Niki seemed so
great.
Mike would go to Germany and then Niki and I could
date.
Everything was Kosher. Everything was fine.
Why don't you give Mike the axe? And then you know
you'll be mine.
I'll never call you... "DJCM"
Well I knew this girl named Niki. She was the cutest
thing I'd ever seen.
I met her in the East Hall lobby reading magazines
(Thanks Prince!)
Everything, etc. etc.
Well the story hasn't ended, but so far it's gone my
way.
Michael went to Germany so now Niki and I date.
Everything is so great cuz I love her so. I love her yeah
now that she's mine.
I wonder if she knows. Or will she call ME... Double
Jointed Circus Monkey?
(The one and only NY teenage love song... pretty
pathetic huh.
Blink 183... watch out... KROQ here we come)
