Pull the trigger blow off my head.
Sometimes I think you'd rather see me dead.
So here's some bullets and a brand new gun.
Now pull the trigger bitch let's have some fun.
Pull the trigger... bitch!
Pull the trigger blow out my brain.
The way you treat me drives me insane.
Act like you hate me and I don't know why.
Am I so terrible that I should die?
Pull the trigger... bitch!
Pull the trigger and watch me die.
I'll bet the thrill would probably get you high.
You want to see me in a body bag.
Girls like you make the boys go fag.
