Living for living

Someday  
Anyway I can  
Livin for livin  
I've got to understand

Somehow  
I let it roll and play  
Sun always shining  
We never had to pay

All the pieces of me are fallin down  
When you are not around  
So keep me closer  
And make me proud

You go  
I'll stay  
I'm done  
Let me lay  
And get some sleep  
Stay awake  
All the things we never say

I'm livin for livin

Some thrill  
Not only joy and laughs  
You change the future  
Same way you did in the past

Some things  
They told me how they would be  
Some days I keep walkin  
Some days I'm down on my knees

Oh babe I can't deny it, it's not enough  
We had good times, good times

And maybe there, I don't know where and how  
We'll have some good times, good times
