Would you like to see the down  
With eyes I never saw  
Never thought itd be this way  
But you know, someday  
Ill mess it up  
I think I mess it up

Im out of tears  
Trying to stand  
If you cant forgive me  
I hope God can

Found 2 angels down in the stairs  
They left the note I couldnt share  
Heard you crying in vain  
I just want to kill your pain

Nothing ever will explain  
The sadness of your complaint  
Sorry honey if I hurt you, I didnt mean it

God forgive me Im so weak  
All the karma and things we say  
If heaven waits for you, tell me
