It's alright  
To tell me  
What you think  
About me  
I won't try  
To argue  
Or hold it  
Against you  
I know that  
You're leaving  
You must have  
Your reasons  
The season  
Is calling  
Your pictures  
Are falling down

The steps that  
I retrace  
The sad look  
On your face  
The timing  
And structure  
Did you hear  
He fucked her?  
A day late  
A buck short  
I'm writing  
The report  
On losing  
And failing  
When I move  
I'm flailing now

And it's happened once again  
I'll turn to a friend  
Someone that understands  
Sees through the master plan

But everybody's gone  
And I've been here for too long  
To face this on my own

Well I guess this is growing up

Well I guess this is growing up

And maybe  
I'll see you  
At a movie  
Sneak preview  
You'll show up  
And walk by  
On the arm  
Of that guy  
And I'll smile  
And you'll wave  
We'll pretend  
It's okay  
The charade  
It won't last  
When he's gone  
I won't come back

And it'll happen once again  
You'll turn to a friend  
Someone that understands  
And sees through the master plan

But everybody's gone  
And you've been there for too long  
To face this on your own  
Well I guess this is growing up

Well, I guess this is growing up  
Well, I guess this is growing up
