It's so damn late tonight and
I don't know what to do
(Don't know what to do)
I did my best tried hard
It sucks, I don't wanna argue

What is this all about
Don't yell, you're out of your mind
'Cause this time is for good
I can't put up it every night

We're done I had enough
This time there's no turning back
You're never happy, What can I do
Everytime you look so depressed
And don't feel sorry for yourself
It's lame, I know you're better than that
I won't take it anymore
Shut up, my brain is getting sore
I don't know what you're whining for
You gotta chill out

I look at you but you pretend that I don't exist
And I think "Bitch fuck you,
Don't treat me like a piece of shit"

You're angry
'Cause you know you're the one who was always wrong
I tried to call you million times
But you don't answer the fuckin' phone

We're done I had enough
This time there's no turning back
You're never happy, What can I do
Everytime you look so depressed
And don't feel sorry for yourself
It's lame, I know you're better than that
I won't take it anymore
Shut up, my brain is getting sore
I don't know what you're whining for...

"I can't take... it anymore!"
