My heart is crying, crying lonely teardrops.
My pillow's never dry of lonely teardrops,
Come home, come home
Just say you will
Say you will

My heart is crying, crying lonely teardrops.
My pillow's never dry of lonely teardrops.
Come home, come home
Just say you will, say you will.
Say you will

Just give me another chance for our romance.
C'mon and tell me that one day you'll return.
'Cause every day that you've been gone away,
You know my heart does nothing but burn, crying

Lonely teardrops.
My pillow's never dry of lonely teardrops.
Come home, come home.
Just say you will, say you will
Say you will.

Say it right now, baby
Come on, come on,
Say it, darlin,
Say it right now, baby
