Hello, baby
Yes, it's really me
After all the wrong I've done
I guess you're
Surprised to see me

Here at your door like
A sparrow with a broken wing
Who's come back to beg you
Oh, reconsider me

Oh, please reconsider me
I can't make it
Without your love
Can't you see

So, let me, just let me
Love you eternally
Oh, baby, baby, baby
Baby, baby, baby
Reconsider me

I learned the truth about
The so-called good life
It was just a candle
Too short to burn the night

Now, here in the
Darkness in my heart
Don't you know I
Bring to you in plea
Oh, light my way again
Light my way again
And, girl, reconsider me

Oh, please reconsider me
I can't make it
I can't make it
Without you, girl
Can't you see

So, just love me

Love me
Let me love you eternally
Oh, baby, baby, oh, baby
Reconsider me

If you got any feelings for me
Baby, baby, baby, baby
Baby, oh, baby
