I'm breaking a mirror
And I'm buying a new one too
And I'll talk in a whisper
'Cause this is what we do
This is what we do

Not breaking a vessel
Not even a race of pulse
It's not worth getting stressed for
'Cause this is what we do
This is what we do

And I guess you've been there too
For flying
And I suppose I won't get through
But you'll hear me
And I'll say what I will use
'Cause I'm worn out and nothing's left to use

I'm making an offer
But it's one that you can refuse
And you'll learn how to spot her
'Cause this is what we do

I'm caught in a spiral
But it can be nice to lose
Not stuck in denial
'Cause this is what we do
