Uh, uh, uh!  
Ya!  
Brand new!  
OK, ya!  
C'mon!  
Back in black  
I hit the sack  
I've been too long  
I'm glad to be back  
Yes I'm let loose  
From the noose  
That's kept me hanging about truth  
I keep looking at the sky  
'Cause its getting me high  
Forget the hearse  
'Cause I never die  
I've got nine lives  
Cat sized  
Using every one of them running wild

'Cause I'm back  
I'm back y'all  
'Cause I'm back  
That's right I'm back  
I'm back, yes I'm back  
Yes that's right  
C'mon!  
Cause I'm  
Ya, ya, ya, ya, ya  
Ya, ya, ya, ya, I'm back in black  
We back in black  
'Cause I'm back in black

Carlos, Nas, ya!  
We got a dope beat

Back in the back  
Of a Cadillac  
Number one put a bullet out my power pack  
Yes I'm in a bang  
I'm with a gang  
They got to catch me if they want me to hang

'Cause I'm back on the track  
Get in the back  
Nobody is going to get me on another rap  
So look at me now  
Just making my play  
Don't try to push a button  
Just get out of my way

'Cause I'm back  
Ya, ya, get out of my way  
'Cause I'm back  
Uh, let 'em know  
I'm back  
Carlos Santana  
'Cause I'm back  
You got Nas on the crowd  
'Cause I'm  
Ya, ya, ya, ya, ya  
Ya, ya, ya, ya, I'm back in black  
We back in black  
'Cause I'm back in black  
Cause I'm back  
We back y'all  
Cause I'm back  
We back  
I'm back  
Say what?  
Ya that's right  
Cause I'm  
Ya, ya, ya, ya, ya  
Ya, ya, ya, ya,  
What are we?  
I'm back in black  
We back in black  
'Cause I'm back in black

'Cause I'm back  
Back like I never left  
'Cause I'm back  
That's right y'all  
I'm back  
I'm back  
'Cause I'm back  
That's right, tell 'em  
Cause I'm  
Ya, ya, ya, ya, ya  
Ya, ya, ya, ya,  
I'm back in black  
I'm back in black  
'Cause I'm back in black

I can't sit here and say no one helped me turn  
Ghetto wealthy earn every cent by myself  
See that type of talk is bad  
Like a school yard brat  
I'm making volume cash  
Making all you mad  
Give it all I have  
Still they take too much  
Ungrateful stuff  
It's just too bad  
And I'm just too real  
I'm just too authentic  
I'm just too raw to hit me  
Carlos on guitar  
Relentless  
Makes me visualize the clubs when they spin this  
So that's who I'm going to vibe with  
In any conflict  
That's not a threat  
That's a promise

Ya, we back y'all  
Ya  
We back y'all  
Ya  
Ya, we back y'all  
Nas, Carlos Santana
