Hell yeah
Check it check it check, check check
Yo, when it come to sex advice, I'm the one to call
if you a virgin with blue balls or you tear down walls
Not Dr. Ruth, call me Dr. Knockboot
Pimped out hats, rock fashionable suits
A class for the youth, Sex Ed for your head
The do's and don'ts, that should happen in the bed
First, DON'T: run up in her raw cause you get burned
for sure, fuckin with the typical whore, because
DO: rock a Rough Ryder, whenever you inside her
Your local bodega is your supplier
And DON'T: take the pussy, if she fightin
Cause you saw what happened to Tupac and Mike
Tyson
'Specially if you large, some hoes is trife
Get you on a rape charge, have you servin your life
Yo, DO: get a yes confirmation before penetration
You wind up in a police station
DON'T: get with no young bitch and hit it
She PG-13, you rated R, she not permitted
DO: check for ID, whenever chillin V.I.P.
with fly shorty P.Y.T.
Yo, DON'T: lie about the cars you got
or who you hang with, frontin when you borrowed your
watch
Yo, DO: play your game right, if the G's tight
then you can fuck shorty the same night
Yo, DON'T: trick when you don't have to

You think you ballin? You turn your back they laffin at
you
You don't gotta keep repeatin you a thug, she heard
you
In fact, she attracted to your man that herbed you
DO: spend a lil' dough, only if you know
the bitch gross a lil' somethin too bro
DON'T: eat the pussy the first night
Maker her bless you, we call that shit gesundheit
DO: set the mood right, Bailey's with ice
A cup of Thug Passion'll make everything right
Yo, DON'T: pop shit like you Daddy Longdick

when you come fast like Fed-Ex and bust too quick
DO: hit positions she will find interest in
DON'T: hit the pussy if that shit's blisterin
Hope you're listenin, turn up your transisterin
Hot 97, KISS-FM
or B-L-S, with your hand up her dress
Chillin with your girl while you thinkin bout ya ex
Not too easy not too complex
I break it down, how to adress, the opposite sex
Problems or questions, I can answer them best
Signin off Dr. Knockboot at your request, peace

Rest havens
Fuck y'all bitches
Y'all niggaz get y'all shit tight
Dr. Knockboot gotta come take y'all bitches from ya!
AIGHT?! We out!
