Damn, look how muhfuckers use a nigga
Just use me for whatever the fuck they want
I don't get to say shit
Just grab me, just do what the fuck they want
Sell me, throw me away

Niggaz just don't give a fuck about a nigga like me
right?
Like I'm a F, I'm a gun, shit
It's like I'm a motherfuckin' gun
I can't believe this shit, word up, word up

I seen some cold nights and bloody days
They grab and me bullets spray
They use me wrong, so I sing this song 'til this day
My body is cold steel for real

I was made to kill, that's why they keep me concealed
Under car seats they sneak me in clubs
Been in the hands of mad thugs
They feed me when they load me with mad slugs

Seventeen precisely, one in my head
They call me Desert Eagle, semi auto with lead
I'm seven inches four pounds, been through so many
towns
Ohio to Little Rock to Canarsie, livin' harshly

Beat up and battered, they pull me out
I watch as niggaz scattered, makin' me kill
But what I feel it never mattered
When I'm empty, I'm quiet, findin' myself fiendin' to be
fired

A broken safety, niggaz place me in shelves
Under beds, so I beg for my next owner to be a
thoroughbred
Keep me full up with hollow heads

How you like me now? I go blaow
It's that shit that moves crowds, makin' every ghetto
foul

I might have took your first child
Scarred your life, crippled your style
I gave you power, I made you buck wild

How you like me now? I go blaow
It's that shit that moves crowds, makin' every ghetto
foul
I might have took your first child
Scarred your life, crippled your style
I gave you power, I made you buck wild

Always I'm in some shit, my abdomen is the clip
The barrel is my dick, uncircumcised
Pull my skin back and cock me, I bust off when they
unlock me
Results of what happens to niggaz shock me

I see niggaz bleedin', runnin' from me in fear,
stunningly tears
Fall down the eyes of these so called tough guys, for
years
I've been used in robberies, givin' niggaz heart to
follow me
Placin' peoples in graves, funerals made 'cause I was
sprayed

I was laid in a shelf, with a grenade
Met a wrecked up tech with numbers on his chest that
say
Five two o nine three eight five and zero
Had a serial defaced, hopin' one day, police would
place

Where he came from, a name or some sort of person
to claim him
Tired of murderin', made him wanna be a plain gun
But yo I had some other plans, like the next time the
beef is on
I make myself jam right in my owner's hand

How you like me now? I go blaow
It's that shit that moves crowds, makin' every ghetto
foul
I might have took your first child
Scarred your life, crippled your style
I gave you power, I made you buck wild

How you like me now? I go blaow
It's that shit that moves crowds, makin' every ghetto
foul
I might have took your first child

Scarred your life, crippled your style
I gave you power, I made you buck wild

Yo, weeks went by and I'm surprised
Still stuck in the shelf with all the things that an outlaw
hides
Besides me it's bullets, two vests and then a nine
There's a grenade in a box and that tech that kept
cryin'

'Cause he ain't been cleaned in a year, he's rusty as
clear
He's 'bout to fall to pieces 'cause of his murder career
Yo, I can hear somebody comin' in, open the shelf
His eyes bubblin', he said, "It was on"

I felt his palm, troubled him shakin'
Somebody stomped him out, his dome was achin'
He placed me on his waist, the moment I've been
waitin'
My creation was for blacks to kill blacks

It's gats like me that accidentally, go off, makin' niggaz
memories
But this time, it's done intentionally
He walked me outside, saw this cat
Cocked me back, said, "Remember me?"

He pulled the trigger but I held on, it felt wrong
Knowing niggaz is waiting in Hell for
He squeezed harder, I didn't budge, sick of the blood
Sick of the thugs, sick of wrath of the, next man's
grudge

What the other kid did was pull out, no doubt
A newer me in better shape, before he lit out, he lead
the chase
My owner fell to the floor, his wig split so fast
I didn't know he was hit, it's over with

Heard mad niggaz screamin', niggaz runnin', cops is
comin'
Now I'm happy, until I felt somebody else grab me,
damn
