Took you from the projects
With the best clothes in your closet
Like ginger from casino and now you a pro
We was like joe damazio and marylin monrow
All your jelious girlfriends hatin' watin'
So I put the cards in your hand
All I know when nas was your man it was so real
Boats through sixis
Special japnees chefs makin home cooked dishes
Planin trips invisable sets, you know what you missin

*j lo-

It's funny 'cause for a while
I walked around with a smile
But deep inside I could hear voices telling me this ain't
right
Don't you know it's not for you
I always knew what I had to do
But it's hard to get away
Because I love you
I just tried to stay

I used to say I couldn't do it
But I did it
After telling everybody that I wasn't with it
Though it brings tears to my eyes
I can feel it
And I know inside I'm gonna be alright
I said I couldn't do it
But I did it
After telling evreybody that I wasn't with it
Though it brings tears to my eyes
I can feel it
And that voice inside says im gonna be alright

*j lo-

Friends of mine say to me
They say you got control over me
You're not alone
I played a part
I saw the way you were from the start

Could I expect so much from you
You had a girl when I first met you
Did the best that you could do
Now I realize that I can't change you

I used to say I couldn't do it

But I did it
After telling everybody that I wasn't with it
Though it brings tears to my eyes
I can feel it
And I know inside I'm gonna be alright
I said I couldn't do it
But I did it
After telling evreybody that I wasn't with it
Though it brings tears to my eyes
I can feel it
And that voice inside says im gonna be alright

*j lo-
Said I wouldn't walk away
Somedays I want to stay
But leaving you is what I need to do to be okay
Never thought it would be true
Me livin' without you
But now it's time for me to make a move

*nas-
Nobody understand me im delin' with presure
My peoples locked in the jail cel with no bail stresure
Guess it's the life of a king, pimp, rap, stephen king
Rap bling like neon lights, we gonna be alright
But its like you feelin me less and claim im acting like a
retard right?
Me and my boys we start fights
And will I mature you scream im in the streets all night
And where was I at you find light brown and tears on
my hat
Its so cold

I used to say I couldn't do it
But I did it
After telling everybody that I wasn't with it
Though it brings tears to my eyes
I can feel it
And I know inside I'm gonna be alright
I said I couldn't do it
But I did it
After telling evreybody that I wasn't with it
Though it brings tears to my eyes
I can feel it

And that voice inside says im gonna be alright
