Freedom or jail, clips inserted, a baby's bein' born
Same time my man is murdered, the beginning and
end
As far as rap go, it's only natural, I explain
My plateau and also, what defines my name
First it was nasty but times have changed
Ask me now, I'm the artist but hardcore, my science for
pain

I spent time in the game, kept my mind on fame
Saw fiends shoot up and do lines of cocaine
Saw my close friends shot, flatline am I sane?
That depends, carry Mac-10's to practice my aim
On rooftops, tape CD covers to trees
Line the barrel up with your weak picture then squeeze

Street scriptures for lost souls in the crossroads
To the corner thugs hustlin' for cars that cost dough
To the big dogs livin' large, takin' it light
Pushin' big toys, gettin' nice, enjoyin' your life
Is what you make it, suicide, few try to take it
Belt tied around they neck in jail cells naked
Heaven and hell, rap legend, presence is felt
And of course N A S are the letters that spell Nas, Nas

Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man half amazing
No doubt
Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man, half amazing
No doubt

Nas is like earth, wind and fire, rims and tires
Bulletproof glass, inside is the realest driver
Planets in orbit, line 'em up with the stars
Tarot cards, you can see the pharaoh Nas
Nas is like Iron Mike, messiah type
Before the Christ, after the death
The last one left, let my cash invest in stock
Came a along way from blastin', techs on blocks

Went from Seiko to Rolex, ownin' acres
From the projects with no chips, to large cake dough
Dimes, givin' fellatio, siete zeros
Bet my nine spit for the pesos
But what's it all worth, can't take it when you under this
Earth
Rich men died and tried, but none of it worked

They just rob your grave, I'd rather be alive and paid
Before my number's called, history's made
Some'll fall but I rise, thug or die
Makin' choices, that determine my future under the sky
To rob steal or kill, I'm wondering why
It's a dirty game, is any man worthy of fame?
Much to success to ya, even if you wish me the
opposite
Sooner or later we'll all see who the prophet is

Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man half amazing
No doubt
Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man, half amazing
No doubt

Nas is like sex to a nympho but nothin' sweet
I'm like beef, bustin' heat through your windows
I'm like a street sweeper, green leaf griever
Like Greeks in Egypt, learnin' somethin' deep from they
teachers
I'm like crime, like your nine, your man you would die
for
Always got you, I'm like Pac, Dude you would cry for
I'm like a whole lot of loot, I'm like crisp money
Corporate accounts from a rich company

I'm like ecstasy for ladies, I'm like all races
Combined in one man; like the '99 summer jam
Bulletproof Hummer man
I'm like being locked down around new faces and none
of 'em fam'
I'm the feelin' of a millionaire spendin' a hundred
grand
I'm a poor man's dream, a thug poet
Live it and I write down and I watch it blow up
Y'all know what I'm like, y'all play it your system every
night now

Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man half amazing
No doubt
Nas is like life or death, I'm a rebel
My poetry's deep, I never fell
Nas is like half man, half amazing
No doubt

Nas is like
