Yeah, it's illmatic
Yeah
It's illmatic
Yeah
It's illmatic
Yeah, kick that shit

One time for your mind, one time
Yeah, whatever
One time for your mind, one time
Yo, whatever
One time for your mind, one time
Ayyo Nas
Whattup Paul?
Kick that fuckin' rhyme

Check it out
When I'm chillin', I grab the Buddha, get my crew to
buy beers
And watch a flick, illin' and root for the villian
Plus every morning, I go out and love it sort of chilly
Then I send a shorty from my block to the store for
Phillies
After being blessed by the herb's essence
I'm back to my rest, ten minutes some odd seconds
That's where I got the honey at, spends the night for
sexing
Cheap lubrication, lifestyle protection

Picking up my stereo's remote control quickly
Ron G's in the cassette deck, rockin' the shit, G
I try to stay mellow, rock
Well acapella rhymes'll make me richer
Than a slipper made Cinderella fella
Go get your crew, Hobbes, I'm prepared to bomb
troops
Got niggaz who's born, I shot my way out my mom
dukes
When I was ten, I was a hip-hoppin' shorty wop
Known for rocking microphones and twisting off a 40
top, yeah

One time for your mind, one time
Yeah, whatever
One time for your mind, one time
It sound clever
Hey yo Nas, fuck that, man that shit was fat
But kick that for them gangstas man, fuck all that

Right, right, what up niggaz, how y'all, it's nasty the
villian
I'm still writin' rhymes but besides that I'm chillin'
I'm trying to get this money, God, you know the hard
times, kid
Shit, cold be starvin' make you wanna do crimes kid
But I'ma lamp, 'cuz a crime couldn't beat a rhyme
Niggaz catching 3 to 9's, Muslims yelling free the mind
And I'm from Queens bridge, been to many places
As a kid when I would say that out of town, niggaz
chased us
But now I know the time, got a older mind

Plus control a nine, fine, see now I represent mine
I'm new on the rap scene, brothers never heard of me
Yet I'm a menace, yo, police wanna murder me
Heine dark drinker, represent the thinker
My pen rides the paper, it even has blinkers
Think I'll dim the lights then inhale, it stimulates
Floating like I'm on the North 95 Interstate
Never plan to stop, when I write my hand is hot
And expand a lot from the wiz to Camelot

The parlayer, I'll make ya heads bop pah
I shine a light on perpetrators like a cop's car
From day to night, I play the mic and you'll thank God
I wreck shit so much, the microphone'll need a paint job
My brain is incarcerated
Live at any jam, I couldn't count all the parks I raided
I hold a Mac-11, and attack the reverend
I contact 11 L's and Max in heaven

Yo, one time for your mind, one time
It sound clever
But one time for your mind, one time
Yeah, whatever
One time for your mind, one time

Yo, from ninety-two to ninety-nine
Yeah, that shit was greasy fat Paul, know what I'm
sayin'?
But check it, you gotta another verse for me
I want you to kick it, you know what I'm sayin'?
Kick that shit from the projects
