(Nas- Speaking) All I do is stay focused looking straight forward at the world and beyond.
I feel people pulling me down.
I feel some pulling me up I can't get stuck.
I just keep moving forward.
I got places to go man. Let's go...

(CHORUS) 1x Â– Damian Marley)
When the Armageddon's start get dread
A lot ah weak heart ah weep and moan
Only the strong will continue
Do you have it in you?
Come we've got a journey to go
And when the battle get sour and dread
A lot ah weak heart ah wither and moan
Only the strong will continue
I know you have it in you
I know you have it in you

(Damian Marley)
Hey... The victory's found in truth,
Like innocence found in youth
Self defeat is your own dispute
And man you put yourself in a ya own shoeses Either
you're winning or losing
Don't you get it confused
Cause you starring in a ya own movie
Playing of a role you choose so
Stand up and fight if you know say you're right and no
you won't ever fail
Tipping the scale and the wind shall prevail and the
boat shall forever sail
(Hey) There ain't no stopping or cruising
Even when you're battered and bruised
Hold gun all di sprinklers and he tell him bust my gat
tougher than Zeus

(CHORUS) 1x Â– Damian Marley)
When the Armageddon's dark and dread
A lot ah weak heart ah weep and moan
Only the strong will continue
Do you have it in you?

Come we've got a journey to go
And when the battle get sour and dread
A lot ah weak heart ah wither and moan
Only the strong will continue
I know you have it in you
I know you have it in you

(Nas) As I walk through the valley of the shadow of
death New York to Cali for the money, power, respect
It's a journey, some'll get left behind coz in life you
cannot press rewind
Get it right.
You only have one first chance to make one first
impression that lasts a lifetime
Reputations to proceed itself do you believe in hell?
Babylon, greed for wealth Do you deceive yourself and
let your ego swell
And disregard those who most need your help
Thick skinned, the dark won't take my soul Survived
spiritual wars, see my welts
And the evils felt but faith is stronger
I saw grown men fall when I was a youngster
But I clenched my fist
Ready to go against whoever Tie my Timb's and rise in
the end

(CHORUS)1x Â– Damian Marley)
When the Armageddon's dark and dread
A lot ah weak heart ah weep and moan
Only the strong will continue
Do you have it in you?
Come we've got a journey to go
And when the battle get sour and dread
A lot ah weak heart ah wither and moan
Only the strong will continue
I know you have it in you
I know you have it in you

(Damian Marley)
No man live forever
But never say never
Every goodie want better,
Just be a go getter
And always be clever
In every endeavour
Coz drastic time call for drastic measure
Your girl try to pleasure
From ya neighbours things severe
The land and the treasure
Work for whatever
Jah say don't be a beggar,

The alpha omega
Will bless every soul no matter
Which name you prefer
The immortal stepper
Believe in every skin
No matter which colour they are
Will never let you down no matter
Which kind of weather
You're destined to rise like the son of Rebecca don't
stop for a second
Every man reckon
It sure would be good to be there
Whether Zion or Mecca
When the gates are finally closed
And the saints go marching in

(CHORUS)2x Â– Damian Marley)
When the Armageddon's dark and dread
A lot ah weak heart ah weep and moan
Only the strong will continue
Do you have it in you?
Come we've got a journey to go
And when the battle get sour and dread
A lot ah weak heart ah wither and moan
Only the strong will continue
I know you have it in you
I know you have it in you

(Nas)Talk:
As the weak shall fall to the sideline
I get my kid
I protect mine with a tech 9
Haters want me to side with em
Gangsters want me to ride with em
Ladies want me to make brides with em
I'm on a low I'm in the zone every evening
I'm in the zone every evening walk through the valley of
death
I'm still breathing
Give a bit of life to your ethylene
Thief in the night like
America seen
Coming through in the zone every evening
In the zone every evening
I know the strong will survive
