"War Is Necessary"

[Chorus]

War is necessary
War brings pain
But war is necessary
War brings peace
Cause war is necessary
Getcha warriors up
Cause my niggas are war ready
War brings hate
(Esco let's go let's go let's go)

War is necessary
War brings pain
(Esco let's go)
Getcha warriors up
Cause my niggas are war ready
My niggas war ready

[Verse 1]

Staring at the face of my watch, its like a crystal ball
With the ability to make the issue stall
I told my man duck, cause I know where the missile fall
Cause the ice is a fortune teller for the rich or small
Went to my man's crib who dead and saw his picture
fall
I picked it up, his voice whispered nigga ball
So I smoke the finest, (85 for the ocean liners?)
I do it for the have-nots I'm at spots
That resembles screen savers on ya lap tops
And they cant believe it like seeing that nigga Zab drop
I be in Cameroon bandanas on silk Dior
Sip cream liqueur, green and blue FLIA velour's suits
Boss smooth, the only thing I endorse duke
Stash houses, gamble, I don't sweat a lawsuit
All true in living god we was here first
Parisian linen garb and cashmere shirts

[Repeat Chorus]

[Verse 2]

Who's crew was realist? Shot up the movie theaters
Time square, 88 who's crew was in it
(Photographed was?) sittin on wood wicker chairs
40oz in the lap, givin off wicked stares
Punch out kings, bustin pistols in the air
Hangin out a Cutlass Supreme window like "bitch come
here"
Girls cussin back at us with the fattest asses
Like "who you callin bitch little black bastards"
We had to wave the flag, here come they baby dad
Drug dealers in the crazy jag looking crazy mad
They all thought they was sparkle, fucking killer men
But we was all black seeds as Fred Williamson
It was so simple.
Now I'm refelctin in this gold Enzo
Face it, my favorite trinket was that Teddy riley guy
bracelet
So now its fly shit I'm draped in. Customized shit I'm
makin
