You got to hide your soul away  
Put it in the woods save it for the grave  
You can't expose yourself that way  
Put it under lock, lock it from the pain  
You don't owe a thing, you don't have to pay  
You don't owe a thing, you can't pay

You got to rule your own ball game  
Follow what you know and throw the rest away  
You can't be led around by your fear  
Feed it to the vultures, there's a lot of them out there.  
You don't owe a thing, you don't have to pay  
You don't owe a thing, you can't pay

Play on, you don't owe a thing  
So play on.
