"5 Minutes To Live"

I'm burnin' down the road
And I've got 5 minutes to live
Had 'bout all I can take
Ain't got no more to give
And I'm gone!
Ain't comin' back!

Hear every word I say
I've got 5 minutes to live
Best get outta my way motherfucker
You ain't got no more to give
'Cuz I'll be gone!
Ain't comin' back!

Soon as you think you've got me figured out
Gone! Gone! Gone! I'm gone!
Soon as they finally drag your ass around
Gone! Gone! Gone! I'm gone! I'll be gone!
Ain't comin' back

Hit me!

I'm burnin' down the road
And I've got 5 minutes to live
Had 'bout all I can take motherfucker
If you ain't got no more to give
And I'm gone!
Ain't comin' back!
