From the ashes of this golden age of  
confusion, the demin recruits came to be  
known as the apocalypse dudes.

So you think you had an Opera  
Well not like this  
So you think you had a Napoli  
Well not like this  
So you think you had a decent pizza  
Well not like this  
So you think you had a real good pizza  
Well not like this

You got nothing to lose at Pamparius  
Gonna wear them happy shoes tonight  
You got nothing to lose Pamparius  
Gonna bake a motherfucking pizza tonight

So you think you had a pepperoni  
Well not like this  
So you think you had a calzone  
Well not like this  
So you thought you could make your own  
Well not like this  
So you thought you could take it home  
Well not like this

You got nothing to lose at Pamparius  
Gonna wear them happy shoes tonight  
You got nothing to lose Pamparius  
Gonna bake a motherfucking pizza tonight  
Motherfucking pizza tonight

Apocalypse dudes got nothing to lose  
Gonna kick some teenage ass tonight  
Apocalypse dudes got nothing to lose  
Gonna bake some motherfucking magic tonight

Tonight, tonight well right

Tonight, tonight well fuckin' really tonight
