Beat Me Senseless

Keith Clark - Greg Hetson - Keith Morris

I'd swim the oceans, in a suit of lead
You'd stand there, throw rocks at my head
Cut me open, watch me bleed
Is this what you really need

Beat me senseless
You got
Beat me senseless

Twist my arms, break my bones
Make me lie on burning coals
Kick my legs, punch my nose
Break my will, don't take my soul

No pain, No gain
Come on do it again
Rocks my brain
Driving me insane

I'm a man down on my knees
Now I'm hurt, now I'm crying
Swallow fire, walk on glass
Throw me to the lions,
I want you back

No pain, No gain
Come on do it again
Rocks my brain
Driving me insane

Beat me senseless
You got
Beat me senseless
Come on
Beat me senseless
You got
Beat me senseless
