Start droppin')  
And you know it just don't stop, and you know it just  
wont stop.  
Feel the beat no stoppin' till the panties start droppin'  
baby.  
1st verse  
-back in the day when I was young, I'm not a kid  
anymore, but someday I sit and  
Wish I was a kid again,  
Cause I remember crazy summer nights, sneaking all  
up in your window just to do  
You right  
Panties wetter than a slip-n-slide, your trembling  
inside, I promise I'll be  
Back tomorrow night  
Your bodies callin' 12 play since the first day, now how  
can I forget those  
Days,  
Tellin' mom and daddy we was going to the movies,  
damn girl, if they really  
Knew what we was doin', I know I probably shouldn't  
even start to say, but every  
Time I reminisce it brings a smile to my face,  
Heavy breathin' and you whisper baby please don't  
stop, you know I'm on this  
Mission till you hit that spot, so everytime you need  
someone to make it hot  
You know the beat wont stop, untill the panties drop.  
Chorus

-and you know it just don't stop, and you know it just  
wont stop  
Feel the beat no stoppin', till the panties start droppin'-  
x2-

2nd verse

-now play this slow jam, (this slow jam) I got you  
bumpin' and grindin' like our

Klick

With bedroom games, poppin it off like a lingerie  
party(whoo), live it's lovely,

Puffin' on herb, we sippin' bubbly, while I rub you down  
with body oils,

Tellin' all your girlfriends how ziggys got you stole,  
kissing on your lips to

The middle of your hips, how bout that, like it from the  
front to the back, and

How does it feel to be on your 4th climax, going looney  
screamin' I got 5 on it

(5 on it), now can I make you into a caramel sundae  
with the cherries on top,

Painting you with whip cream

You know I want my cake and be able to eat it too, (ha  
ha, you get the hint? )

Orgasms got your heart beatin' like if it's on a sprint,  
taking off, making love

On a cloud, now what's the odd of meeting at the same  
spot at the same time

(same time)

Chorus

-and you know it just don't stop and you know it just  
wont stop,

Feel the beat, no stoppin' till the panties start droppin'-  
x2- baby

wanna lick on the spot no

One else just to hit, you a nasty girl, I'm a nasty boy, let  
me rub you down,

Kiss you all around, your the type that will be down,

Like it kinky like that, what you want, what you need,  
and since I hit it from

The back saying-

Ay papi chulo baby please don't stop, as we procced to  
make it hot to the stars

At 12 o'clock, lay back relax let me take you through  
the motions, my genie in

A bottle as I rub you with the lotion, not a ocean,  
making love though the

Breeze, got you rush climaxing, from your head to your

knees, neverending night  
We both will never forget, a love scene to be repeated  
on that you can bet,  
Cause you know it wont be stoppin' till the panties start

wont stop-x2-  
And you know it just don't,(just don't), and you know it

And you know it just wont stop.  
Feel the beat no stoppin' till the panties start droppin'  
And you know it just don't stop and you know it just
