From Hell To Texas  
Blaine Cartwright - Ruyter Suys - Karen Cuda - Jeremy  
Thompson - Daniel Rey

Born to die in a rock 'n' roll band  
Always sounded like a hell of a plan  
From Hell To Texas in a beat up van  
Why can't you understand

Mama said boredom will rot you brain  
So I gotta get out of here before  
I go insane

Go to hell honey I'm back on the road  
Can't even say goodbye  
Nothing you can say can keep me here  
Don't even try  
Go to hell honey I'm back on the road  
That's where I'm gonna stay  
Kick scream and cry all you want  
I'm still going away

Cause I'm sick of you I'm sick of staying home  
If don't rock soon I'm gonna explode

Born to die in a rock 'n' roll band  
Always sounded like a hell of a plan  
From Hell To Texas in a beat up van  
Why can't you understand

Born to die in a rock 'n' roll band  
Always sounded like a hell of a plan  
From Hell To Texas in a beat up van  
Why can't you understand

That if I die somewhere on the road  
Flush my fucking ashes down a Cracker Barrel  
commode

Drink up everybody we're back on the road  
And we ain't going away

Drink up everybody we're back on the road  
We drunk and ready to play  
Drink up everybody we're back on the road  
Couldn't quit if we tried  
Drink up everybody we're back on the road  
Where rules don't apply
