Gimme A Hit Before I Go

Blaine Cartwright - Ruyter Suys - Karen Cuda - Jeremy
Thompson - Daniel Rey

Oh, left be is good

Wanna drown in the sweet stench of success
Hang it on my wall and show everyone I'm the best

I'll keep it clean and play real slow
Gimme gimme a hit before I go

Des Moines, Dresden, San Sebastian or St. Paul
Every shit hole in every shit
Town you know we've played them all - still do
I'd rather I'd rather do drugs with world famous sluts
I want the whole world to kiss my butt

I'll keep it clean and play real slow
Gimme gimme a hit before I go

Last night I fell down on my knees
And said "Calling all Gods"
"Come Jesus, Come Buddha,
Come Allah, Hell bring them all"
Now I ain't saying I deserve a thing
But I'd be real cool if you made me king

I'll keep it clean and play real slow
Gimme gimme a hit before I go

Gimme a hit before I go
Gimme a hit before I go
Just gimme a hit before I go
Gimme a hit before I go
Gimme a hit before I go
Gimme a hit before I go
