Have you ever just thought about all this shit and when  
you where in?

Now I realize the lie you said to joke me and to make  
me fall in

Don't tell me what to do and don't tell me what to think  
I don't wanna hear excuses, reality is so clear

I think I'm gonna pop  
I think I'm gonna pop  
I think I'm gonna pop  
I think I'm gonna pop

Have you ever just thought about all this shit and when  
you where in?

Now I realize the lie you said to joke me and to make  
me fall in

Don't tell me what to do and don't tell me what to think  
I don't wanna hear excuses, reality is so clear

I think I'm gonna pop  
I think I'm gonna pop  
I think I'm gonna pop  
I think I'm gonna pop

Have you ever just thought about all this shit and when  
you where in?

I'm taking back what is mine and to me the revenge is  
so sweet

Don't tell me what to do and don't tell me what to think  
I don't wanna hear excuses, reality is so clear

I think you're gonna pop  
I think you're gonna pop  
I think you're gonna pop  
I think you're gonna pop

I think you're gonna pop  
I think you're gonna pop

I think you're gonna pop  
I think you're gonna pop
