The phone is ringing it's the devil calling  
He said where you been boy  
Come on down and stop your stalling

I said, I ain't going down there no more  
Damnation's just one big bore  
It's great to do everything you please  
But after a while you just want to leave

So sorry Satan  
Don't take this personally  
Things are getting kinda  
Dull down there  
Hell ain't what it used to be

He said, boy what you doin'  
You better watch out who with  
You're screwing

I said snakes serpents water wine  
A bunch of crap before my time  
You got your pitchfork  
And gave the world a poke  
Now you're Just one big joke

So sorry Satan  
Don't take this personally  
Things are getting kinda  
Dull down there  
Hell ain't what it used to be

Be other bow  
That's the real name  
Don't you know  
Till got game  
Anybodys game  
Anybodys game

So sorry Satan  
Don't take this personally  
Things are getting kinda  
Dull down there

Hell ain't what it used to be

I said hell

Take gone a hell oh yeah

What it used to be

What it used to be

What it used to be baby

What it used to be, yeah
